

2010 *Children*TM
OF SOUTH DAKOTA

Through photographing the Children of South Dakota AC Ellis Inc. and Cracked Hue Studios are hoping to help East Central CASA to provide services to the less fortunate Children of South Dakota.

All photography services will be donated and we are hoping to photograph 100 different families of South Dakota Children. We will create wonderful lifestyle portraits of your children in order to raise funds and awareness for a great cause.

At the culmination of the event there will be a gallery exhibit featuring all of the children photographed. The exhibit will take place January 1 - February 28, 2011 at The Museum of Visual Materials in Downtown Sioux Falls, South Dakota which is open to the public.

The full \$100 session fee per family will be donated to East Central CASA.

Sessions will be available in the Brookings and Sioux Falls areas all year. Other locations may be available at various times. Call to check about your area.

Things to Note

- Sessions will be approximately 30-60 minutes in length for children ages newborn - 16
- Sessions are available upon openings January 1, 2010 - November 15, 2010
- These sessions are not custom or artists sessions. Most sessions will take place outdoors, but are at the discretion of the photographer.
- If a session is cancelled by the client it cannot be rescheduled and that session is forfeited.
- All sessions are proofed in the studio and each client will have an opportunity to purchase prints and products.
- Prior to session an Agreement between the client and AC Ellis Inc. must be signed.
- Prints and products must be purchased at full price unless otherwise noted.
- Selection of the photographer is up to the studio, but requests will be honored as best is possible.
- All session fees must be paid in advance.
- Once session per family limit.
- Because all proceeds are donated no refunds will be given.
- 6% sales tax is added to the session fee, Total is \$106

To schedule your session e-mail or call.
